Bride dancing with the women,
Next to her is all of the family
All my brothers and sisters
Are celebrating the wedding and congratulating

No, no, no, I am not regretting
even if I die tomorrow
Thanks God
I see the bride (*repeat:* I love the bride)
Thanks God
I am marrying my son

My children are my richness
The bride brought us greatness
The whole family is happy
And the enemies are envious

No, no, no I am not regretting ...

A lot of money, I decorated the bride [...]
All the family loves her
I brought her a lot of gold
And I don't regret it
Dance, bride, dance with my son
Dance with him, because you love him.
